*glowing lights,
flowing generosity*

Join us for an unforgettable evening at the Junior Achievement Gala: A Night in Napa, where the charm of wine country meets the spirit of Junior Achievement. Set against a backdrop of lush vineyards and twinkling lights, this enchanting event will pair exquisite wine with the mission of JA while we celebrate the 2025 JA Laureates. Together, we will celebrate the achievements of leaders and raise our glasses to support JA's mission of empowering students with the skillsets and mindsets to thrive.
