SKILLSETS AND MINDSETS

In 2023-2024, we will continue increasing our impact at our JA HOPE Project schools (Heritage High and Cocoa Jr/Sr High Schools), deliver JA-in-a-Days at 16 Title 1 elementary schools, produce JA GLOW Women in STEM for more than 7,000 young women, launch young entrepreneurs with the JA Social Innovation Challenge, and expand career horizons for high school students via speakers, job shadows, career readiness training, and internships.
